

Maintaining Adequate Progress in CSSE Program

Students making adequate progress towards completing the CSSE program must meet the timely progression benchmarks. In addition, students should not have any current evidence of the following issues in their student file or current transcripts:

- Incompletes (“I” grades) for programmatically required courses/credits
- Concerns of Professionalism

Timely Progression Benchmarks:

End of Year #	Benchmark
1	Pass annual review with no concerns
2	Pass annual review with no concerns
3	Pass comprehensive exams
4	Complete all coursework, except dissertation hours, <u>and</u> Complete advancement to candidacy
5	Dissertation committee approved by Graduate School, <u>and</u> Dissertation proposal approved by committee
6	Dissertation defense approved by committee, <u>and</u> Dissertation submitted to Graduate School

Students, with the recommendation of their faculty advisor, can petition to avoid or remove “Inadequate Progress” status from their record at the discretion of the CSSE Faculty Committee.
